

Upper Kobuk AC Poll Vote
3/5/14

After the attempted telephonic Joint Upper and Lower Kobuk AC meeting that did not meet quorum a poll vote was conducted to ascertain the support and give opportunity for further comments on proposal 177. The prospect of having another AC meeting this time of year to meet quorum was not good because this is the time of year when many people are out hunting. Here are the results of the Upper Kobuk AC poll.

AC Member Name	Vote	Comments
